USSSA Rules Apply

There are a couple of exceptions to USSSA Rules

1. No faking on the mound, please just pitch
2. There will be a line, marked as the mound, and you can pitch from any distance(s) pass the mound up to 5ft.
3. If the ball hits the rafter fair and goes into the nets foul past third or first base it will be a live ball. If it gets caught in the net, just raise your hand and it will be the umpire decision on a single or double.
4. If the ball hits the rafters, the net or wall fair and a field catches it before it hits the ground, the batter will be declared out except for homerun's
5. If the ball is hit into the rafters and comes down in front of an imaginary line from first base to third base the batter will be out. This will be called by the umpire and is final
6. If the ball hits the rafter fair (it's fair) and if it hit's the rafters foul(it's foul) if it's pass first and third base. If it's fair and stuck in the net or anything it will be a double if the fielder lets the umpire know

There will be 2 homeruns (For Co-ed 2 male and 2 female) allowed per inning. After the homerun limit is reached, it's a live ball

Run Rule - 20 run's after 3 innings, 15 runs after 4 innings, 10 runs after 5 innings

20 - man roster maximum (players will be required to sign at facility)

Extra hit as many as you want
